Peace in Christ
Sermon Notes

1 Peter 5:5

*Accept wisdom from others.

1 Peter 5:6

*Choose to be humble under God, you have the hope of His care.

1 Peter 5:7

*God cares for you, you can trust in Him.

1 Peter 5:8

*Be alert and self-controlled, Satan is looking for a way to attack.

*Luke 22:31-32— if you fail, grow from your failure to help others grow.

1 Peter 5:9

*Despite suffering, stand strong in your faith. If Satan is attacking, it means you are going in the right direction.

1 Peter 5:10-11

*God promises to make you strong, firm, and steadfast.

1 Peter 5:12

*The grace of God is available to everyone, through Christ; which brings life, even through suffering on earth, but also in the joy of an eternal glory.

*That is the true grace of God that we can stand fast in.

1 Peter 5:13

*The Christian church, probably in Rome, and Mark, pass along their greetings.

1 Peter 5:14

*Paul encourages Christians to meet together and show affection for one another.

*Participation in the blessing and fellowship of the gospel depends entirely on the direct relation to the Messiah. No one can enjoy true peace apart from Christ, but all can enjoy peace if they belong to Him.

*The peace we find in Christ, is both important for us individually, as well as for our unity with other Christians.

*God can use you too! When you answer God's call, whether a small task, or large one, (It might be just by applying God's teaching to your life, so you are ready to answer the next call He has for you.) but when you answer whatever call God places on you, you can find peace, no matter the circumstance, as you put it into God's hands.

May you find peace in Christ, as you align your will with His.
